Advanced Safeguarding Training

The training provides learners with an advanced level of knowledge of safeguarding issues, thereby helping you develop the ability to act on concerns about the safety and welfare of children, young people and vulnerable adults.

All staff working in schools/childcare settings should access training to ensure they are able to fulfil their role and responsibility to safeguard children.

This qualification is intended for those in a Manager's position.

These qualifications are intended for learners over the age of 18 in a wide range of settings, including:

other work-based and community settings

Entry Requirements

Not required

Career Prospects

Achieving this qualification should increase learners' confidence and motivation, and the skills they gain will be valuable in further learning, work and life in general.

Course Modules

• To understand your own role in relation to safeguarding children, young people and vulnerable adults from harm, abuse and neglect

• To be able to recognise different types of harm, abuse and neglect

• To know how to respond to and record disclosure

Assessment

Assessment is via active participation in class discussions.
