

# AS Level / A Level Textiles (Full-Time/Part-Time)

Also available as a Part-Time option – please select ‘Click here to contact us’ for more information.

The AS Level / A Level Textiles is a two-year, full-time course located in the Sixth Form Academy (SFA) designed for students with an interest in learning textile related skills that you will study alongside two other A Levels. Textiles is an ever-evolving art form that is proving popular in the creative world as a credible medium to express an artist’s views and interpretations of the world in which we live. Students will experience a wide range of textile workshops to gain the relevant skills needed for the course.

These include a selection of traditional and contemporary processes including a variety of printing techniques, paper-making, felt-making, hand and machine stitch, image transfer, rag-rugs, dyeing, batik, fabric manipulation and many more. Each student will be given the opportunity to explore these techniques through their individual preferences of textiles, fashion or accessories.

This experimental process will evolve through creating a sketchbook that will develop a range of skills from drawing, gathering relevant primary and secondary research, analysis of work produced and the work of others, producing individual textile samples and creating a series of professional and exclusive outcomes.
