Perhaps, you're an aspiring lorry driver eager to embark on a rewarding path and fast-track to the coveted HGV Class 1 'Articulated' license, granting you command over the largest vehicles on the road.

Harnessing the power of articulated vehicles demands a mastery of skills, particularly in the realms of forward planning, defensive driving, and maneuvering with a substantial trailer. Our comprehensive training program meticulously equips you with the expertise to navigate these challenges with confidence and precision.

For HGV Class 2 License Holders:

The Category C+E training course seamlessly builds upon your existing Class 2 knowledge and skills. You'll refine your understanding of articulated vehicle operation, emphasizing coupling and uncoupling techniques, ensuring seamless connection and disconnection of your vehicle and trailer.
