

Level 2 Vehicle Body Repair IMI (Body) (Full-Time)

This one year course covers the fundamental skills & knowledge common to the repair of vehicles damaged in an accident. The course aims to explore the vehicle's construction and accurate repair and damaged areas ready for finishing.

The course is completed by means of two online exams and a series of assignments and practical tasks carried out in our excellent VBR workshop facility.

Entry Requirements

4 GCSEs of C & above is desirable but practical experience is also considered.

Career Prospects

Students can continue their studies and progress onto the part time level 3 Vehicle Body Repair programme by continuing on a day release basis if sponsored in a Modern Apprenticeship with a participating employer.

Course Modules

IMI Level 2 Diploma in Vehicle Accident Repair

Course Duration: This is a 1 year full time course.

Assessment

This course requires continual assessment of College based assignments which will be collated as a portfolio of evidence to meet the needs of the awarding body.

Online examinations will be scheduled at key stages throughout the course.

Development of Literacy and Numeracy Skills.
