## Course Modules

The course covers 9 units which include CAD drawing, site surveying, science and materials in construction and the built environment, Mathematics plus Health, Safety and Welfare.

Assessment takes the form of in course phase tests, assignments and practical exercises.

## Assessment

Students assessments will include:

- online multi-choice exams
- written assignments
- Practical assignments

## Additional Costs

Students will be required to purchase textbooks for this course. This can be discussed with the course tutor prior to starting the course.

## STUDY MODE

PT

## LOCATION

Neath College - 0330 818 8100

## COURSE LENGTH

2Y
